PROFESSIONAL EXPERIENCE

Frontend intern

10/2025

Pixels Summit LLC 🔗

- **Proactively** designed and built scalable User Interface (UI) components using ReactJS, applying **organized** component-based architecture to enhance future **IT** maintenance and deployment.
- Demonstrated strong **attention to detail** and **communication skills** to ensure rigorous cross-browser compatibility and responsive design, supporting effective project collaboration across the development **team**.

PROJECTS

VolaVola_Pizza_Restaurant

 🔗

- **Architected** and deployed a fully-responsive, end-to-end flight booking web application, utilizing **React** for a dynamic, high-performance frontend
- **Designed** clean, modern interfaces with **Tailwind CSS** following premium UI/UX guidelines, drastically improving mobile responsiveness and cross-device performance.

- **Optimized** system workflows and clean code practices through modular component design in React, decreasing page load times and easing future code scalability.

Data Analytics website

08/2025

- An interactive web application developed with a component-based architecture using React. The front-end was styled efficiently with Tailwind CSS to ensure a responsive design and maintainable codebase. The project showcases expertise in core JavaScript principles, state management, and the creation of reusable UI components for a scalable application.

Skincare Ecommerce

2022

- Designed and developed a **responsive e-commerce homepage** using HTML and CSS.
- Implemented navigation menus, sliders, and layout structure to enhance user engagement and accessibility.

EXTRACURRICULAR ACTIVITIES

YLE (youth loves Egypt)

09/2025

Attended World Clean Up Day event

Alexandria Egypt

- Actively participated in a large-scale community cleanup initiative
- **Collaborated effectively** with a diverse group of volunteers, demonstrating **strong interpersonal skills** to successfully collect **57 kilograms of plastics**, directly contributing to environmental sustainability and reducing sea pollution.

Asu Career Center

2024

Usher team member (ASU Employment Fair'25)

- Provided logistical support and guidance to attendees, ensuring a positive and organized experience for over 1,000 participants.
- Collaborated effectively with a large team to manage crowd flow and address questions,

Resala Charity (RTC)

2023 – 2024

Hr member

- Prepared and reviewed detailed attendance reports for members, ensuring accuracy and proper documentation.

2024 – 2025

- Maintained meeting and event reports to support organizational planning and follow-up.

- Participated** in organizing and managing community events, including:

Challenge Day: Coordinated activities in a public park for people with disabilities, facilitating interactive games and supporting children's engagement.

Village Support Initiative: Contributed to community service projects in a rural village, including replenishing a mosque and organizing a ceremony to honor children who completed Quran memorization.projects in a rural village, including replenishing a mosque and organizing a ceremony to honor children who completed Quran memorization.
